Advanced Treatment Masque

Suitable for Natural and Colour Treated Hair

REDUCES SPLIT ENDS AND BREAKAGE, RESTORES MOISTURE, ELASTICITY, STRENGTH AND SHINE

A rich nourishing and strengthening masque enriched with **shea butter, olive oil and coconut extracts** with a delicious pinacolada fragrance.

Uses **BioAffinity®** technology delivering positively charged (cationic) keratin which is attracted to damaged sections of the hair.

Contains nutrient dense **Caviar** at a molecular weight of less than 30, delivering 19 aminos **deep inside the hair** to repair extreme dry damaged hair and split ends

BioRestore® keratin peptides increases hair **strength by 60%**

Recommended to use on natural, curly, colour treated hair that is dry or prone to split ends and breakage

Powerful herbal extracts increase **shine by up to 25%**

Contains **BioRestore®**; a powerful keratin peptide that deeply restores elasticity, reducing split ends and restoring hair to its youthful luster

DIRECTIONS: Apply masque to damp, pre-washed hair for up to 5 minutes (use a treatment cap and place under a hooded drier for 10 minutes for extreme damage). Rinse with cool water, and apply conditioner as the final step.

Products used: Quick Grow Original Biotin Shampoo, Conditioner and Original Masque (left in the hair for 5 minutes under a hooded drier).

After one use of the Original Treatment Masque

Hair is softer, smoother, improved elasticity, increased strength and shine. The model also said her hair felt softer and easier to manage.
